The Speakers PROFILE

AWARD-WINNING EXPERT, ENTREPRENEUR, KEYNOTE SPEAKER, INFLUENCER, AND THOUGHT LEADER

Olivier Gomez

Recognized Global Expert and pioneer in the field of AI & Automation

He is an award-winning expert, entrepreneur, keynote speaker, influencer, and thought leader. As a senior executive with 25+ years of experience in that field, he is used to lead large scale Digital transformations with strong ROI for fortune 2000. Overall, he has delivered an impressive \$100M+ bottom line improvement for the last 10 years.

With his knowledge and understanding of the AI and Automation products and services market, Olivier has led the development of very large products and solutions (build and buy). His vision and expertise allow him to identify the right partners and startups even before they are flagged as leaders by the market.

He also is a strong innovator and has multiple patents filed and granted in that field.

Olivier scaled and ran one of the largest Intelligent automation footprints in the world for HP/DXC (6000+ unique bots) which gives him a very good grasp of all operational aspects as well.

Furthermore, he is a member of the Forbes Technology Council and with a LinkedIn network of more than 31 000 industry experts/execs, he is well connected to the latest evolution of that industry.
